REPORT ON TEACHERS' AND ENGINEERS' DAY CELEBRATION – 2023

The Birth Anniversaries of Dr.S.Radhakrishnan and Sir M. Visvesvaraya were celebrated as Teachers' Day and Engineers' Day respectively on 15th September, 2023 at 3:30PM in PG seminar hall by ISTE – SSIT Chapter at Sri Siddhartha Institute of Technology, Tumkur.

Chief guests of the function: **Mr. M. Govindaraju**

Tumkur District Best Teacher Awardee-2023

Govt. PUC College, Kanukuppe, Tumakuru

Dr. C.V.Harish

CEO, K-bond Polymers Pvt Limited

Vasanthanarsapura Industries, Tumkur, Karnataka

Mr. M. Govindaraju, highlighted the scope of technology helps in his teaching. He said that technology in teaching should inculcate from high school level itself and it helps the students to improve their skills and enhance the students' knowledge in overall development of the student career. He also spoke about the SIM (Self Instructional module) which was developed by him to teach the students in much interactive way. He customized UBUNTU OS for his teaching. He enforced to the gathering about the technology usage in effective way. He is also working on improving the intake of the students in his school and concentrating on improving the available infrastructure of the school in association with govt and NGO's. He thanked the engineers for providing the technology which helps in developing interactive teaching tools at high school level and suggested the gathering to use the technology in better way.

Dr. C.V.Harish, expressed about the importance of engineers and technology to the society. He said without an engineering concept nothing is existing in the world. So the thoughts and views of an engineer, plays an vital role in the development of the society in all aspects. He said that teachers are creating engineers and engineers are creating world.

Dr. Manjula Yerva, Associated Professor, Dept. of AI&ML, Secretary, ISTE-SSIT Chapter welcomed the gathering and conveyed the importance of ISTE and its membership.

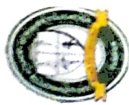

Dr. Renukalatha, Co-Chairman ISTE, HOD-CSE, Dean (Academics), presented the ISTE SSIT Chapter report for the academic year 2022-23.

Program is inaugurated by chief guests & other dignitaries on the Dias by lighting the lamp . Principal & other dignitaries on the dias felicitated the Chief Guests. Dr. M Z Kurian, Registrar, SSAHE spoke about the role of teachers and engineers in the development of the society. Dr. K.B. Linge Gowda, Vice Chancellor.
